JERUSALEM, March 10, 1943

THIRD (11.30 A.M.) EDITION

BERLIN, March 10 (Reuters).—The Germans lost 3,125 men killed, 12,793 wounded, and 38,918 missing on the Russian front in February, according to a Rome dispatch quoted by the German radio.

No. 10

ANKARA, March 10 (Reuter).--A new Cabinet has been formed by the Prime Minister, M. Sarajoglou, with four new Ministers. They are:

COMMERCE - Celal Salt Sircin; JUSTICE - Ali Riza Ture;
CUSTOMS - Suat Hayri Ungublu; ECONOMICS - Fuad Sirmen.

Ali Fuat Cebesoy, hitherto Minister of Public Works, takes over the portfolio of Communications. The new Minister of Public Works is Sira Day, hitherto Minister of Economics. All other Ministers return to the posts which they held in the retiring Cabinet.

ANKARA, March 10 (Reuter).--The party of Turkish journalists who have been visiting India have returned here. They were greeted on arrival at the station by high British officials and members of the Turkish and Allied press.

ISTANBUL, March 10 (Reuter).--At the invitation of the British Government, a Turkish military mission has left for Egypt to study the position in North Africa. The mission is headed by Lieut.-General Salih Omertag and other members are Generals Kurt Jaha and Fevi Mengu.

ANKARA, March 10 (Reuter).--The Chairman of the British Council now in the Middle East, Sir Malcolm Robertson, has arrived in Ankara to discuss plans for the promotion and intensification of British cultural propaganda in Turkey.

LONDON, March 10 (Reuter).--British bombers were over Germany during the night.

One German bomber was destroyed during small German activity over the coastal districts of England last night. Damage and a small number of casualties were reported.

The German radio, announcing that the R.A.F. bombed Munich last night, said that there was some loss of life and damage caused to dwelling-houses. It claimed that 12 of the raiding aircraft were destroyed.

Munich, which is an important industrial and railway centre, has now been bombed four times. The last occasion was on December 21, when it had a heavy attack. Munich has locomotives and wagon repairing shops, a large engineering and motor works, and other factories producing submarine and aeroplane engines, armoured cars, tanks, and hand-grenades.

LONDON, March 10 (Reuter).--Britain's only woman water-diviner is being called in to help the Government's new scheme for housing in agriculture. She is Mrs. Phyllis Fosdick, an Ipswich housewife, who is finding a water supply for the Wainford (Suffolk) Rural Council, so that they can decide where to put ten farm cottages allocated to them.

LONDON, March 10 (Reuter).--The President of the Board of Trade, Dr. Hugh Dalton, has pledged himself not to buy a new suit until the war is over. He said that everyone must use their present clothes until they could not be worn any more.

Reference: Your UT/6 of 22-4-1941

In accordance with Treasury Circular No.20/41 on the subject of over-collections I have to make the following amendment in respect of the return submitted to you for April 1939 to March 1940

2. You will observe that the total collections on 31-3-39 were L.P.941.197 Mils which includes the sum of L.P.17.600 Mils over collected from Abder Rahman Eff Haj Ibrahim, and during the year 1940/41 the said amount was refunded. Following the instructions contained in Accountant General Circular the overcollections should be deducted from the collections making the total collections on 31-3-1940 to be L.P.923.597 Mils and the balance outstanding will be L.P.2012.644 Mils and not 1995.044 Mils as stated in the return.

3. In view of the above the annual statement submitted under cover of my letter No.32 of 2-4-1941 will be revised and substituted by the enclosed statement.

4. The sum of L.P.208.936 Mils includes no remission as they are merely exemptions under Urban Property Tax Ordinance and Rates and Taxes Exemption Ordinance.

I am sorry to bother you again but the following Orders under the Urban Property Tax Ordinance were sent for approval and publication in the Palestine Gazette and have not yet appeared.

Urban Area.	Letter No.	Remarks.
Haifa ✓	UT/6(5) of 22.1.40. <i>P.G. No 987 of 22.1.40</i>	Substitution of D. Carad for F. Sa'ad on Appeal Commission.
Beersheba	UT/6(17) of 19.1.40	Substitution of Haj Hashim Bali for Yusef Ramsi deceased.
Tulkarm ✓	UT/6(7) of 25.1.40 <i>P.G. No 987 of 22.1.40</i>	Substitution of Ibrahim Abu Zahra for Towfic Tamimi.

It is most important that these get into the Gazette quickly as the work cannot be held up and until they are published work should not proceed as it may be held to be illegal. In the case of Haifa I am informed that they had to proceed and that this point has actually been raised.
